DOOR OPENING APERTURA DE PUERTAS

The Atrio sideboard is composed of different sliding doors depending on the reference and its opening will be sliding and not coplanar.

El aparador Atrio está compuesto por diferentes puertas correderas en función de la referencia y su apertura será deslizando y no coplanar.

CERAMIC FINISH ACABADO DE LA CERÁMICA

Each of the ceramic slabs, due to their handcrafted manufacturing process, are unique in size and color, which may result in slight imperfections and differences in their shades. This uniqueness makes each Atrio an exclusive piece.

Cada una de las placas cerámicas, debido a su proceso de fabricación artesanal, son únicas en tamaño y color, lo que puede resultar en ligeras imperfecciones y diferencia en sus tonalidades. Esta singularidad convierte cada Atrio en una pieza exclusiva.

TEAK FINISH ACABADO DE LA TECA

The teak in the Ombra collection is not treated or finished, maintaining its natural appearance. Environmental factors such as sun and rain can cause grayish tones due to a natural oxidation process. This change is aesthetic and does not compromise its quality. Also, due to temperature changes, cracks may appear that will not affect the furniture at a structural level.

La teca de la colección Ombra no recibe tratamientos o acabados, manteniendo su apariencia natural. Los factores ambientales como el sol y la lluvia pueden provocar tonalidad grisáceas debido a un proceso natural de oxidación. Este cambio es estético y no compromete su calidad. Asimismo, debido a los cambios de temperatura pueden aparecer grietas que no afectarán al mueble a nivel estructural.

INTERIOR DIMENSIONS DIMENSIONES INTERIORES

STABILITY ESTABILIDAD

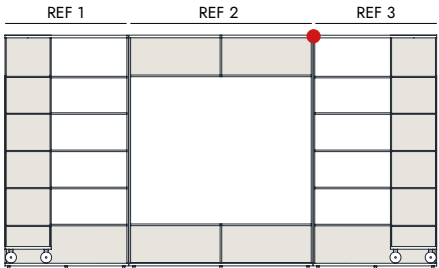

The bookcase set must be fixed to the wall to ensure optimal stability. If you wish to use it as a partition, it is mandatory to use a container module for each shelf column and place the heaviest objects on the lower shelves.

Las composiciones de estantería deben fijarse a pared para lograr una estabilidad óptima. Si se desea utilizar como divisoria es imprescindible utilizar un módulo contenedor por columna de estantes y depositar los objetos más pesados en las partes bajas.

MODULARITY MODULARIDAD

The Literatura Open shelving collection allows different references to be joined together.

La colección de estanterías Literatura Open permite unir diferentes referencias.
