JULY 26

Under our art, craft & design philosophy, we create pieces made by artisan hands to dress and transform office spaces, executive offices, meeting rooms, waiting areas, restaurants, hotels, and homes into distinctive environments full of warmth, comfort, and character.

Bajo nuestra filosofía art, craft & design, creamos piezas hechas por manos artesanas para vestir y transformar espacios de oficina, despachos de dirección, salas de reuniones, salas de espera, restaurantes, hoteles y hogares en ambientes singulares llenos de calidez, confort y diferenciación.

PCON PLANNER

Discover Punt in pCon.planner, the professional tool that allows architects and interior designers to integrate our designs directly into their projects. Through the platform, Punt products can be configured and visualized in 3D within the space, with full access to finishes and dimensions, as well as the ability to quickly generate budgets and technical documentation. A solution designed to streamline both the creative and technical workflow, bringing Punt’s design and quality into every stage of the project.

PCON PLANNER

Descubre Punt en pCon.planner, la herramienta profesional que permite a arquitectos e interioristas integrar nuestros diseños directamente en sus proyectos. A través de la plataforma, es posible configurar productos Punt, visualizarlos en 3D dentro del espacio, explorar acabados y medidas con total precisión y generar presupuestos y documentación técnica de forma rápida y eficiente. Una solución pensada para facilitar el trabajo creativo y técnico, incorporando el diseño y la calidad de Punt desde las primeras fases del proyecto.

WEB

Explore Punt’s website and access all the professional resources designed to support you at every stage of your project. Download 2D, 3D, and Revit files, discover product images both on white backgrounds and in styled environments, and consult technical sheets, catalogs, and material dossiers to present your proposals with complete coherence and accuracy. A space created to inspire, streamline your work, and bring you closer to Punt’s design.

WEB

Explora la web de Punt y accede a todos los recursos profesionales pensados para acompañarte en cada fase del proyecto. Descarga archivos 2D, 3D y Revit, descubre imágenes de producto tanto con fondo blanco como en ambientes y consulta fichas técnicas, catálogos y dossier de materiales para presentar tus propuestas con total coherencia y precisión. Un espacio creado para inspirar, facilitar tu trabajo y acercarte al diseño de Punt.

MODELS, FINISHES AND COLOURS

Here in PUNT we work constantly on the improvement of our products so we reserve the right to amend the measurements, materials, colours, etc. of our products with the aim of improving their quality, service, strength or price. If the products that you have ordered present some variation with respect to our current catalogue and prices, we will inform you previously to check that you are still interested.

Finishes: All the finishes that we offer (natural, stained or lacquered wood, lacquered or anodised metal), even though they are protected, can gradually change their original colour over time due to sunlight exposure. Wood boards and wood pieces, because of their natural origin, present different and non-homogeneous patterns and tones. In PUNT we select each element of a piece of furniture to make these differences aesthetically pleasing.

Colours: The actual appearance of the nice colours of our products may differ slightly from the ones you have seen on a screen or a catalogue.

MODELOS, ACABADOS Y COLORES

En PUNT trabajamos continuamente en la mejora de los productos por lo que nos reservamos el derecho a rectificar dimensiones, materiales, colores, etc, de los mismos con el fin de mejorar la calidad, prestación, solidez o precio. Si los productos que has solicitado incorporan algún cambio respecto al catálogo o tarifa vigente, te lo comunicaremos previamente para que nos confirmes que sigues interesado en los mismos.

Acabados: Todos los acabados que te ofrecemos, ya sean maderas naturales, teñidas o lacadas; metales lacados o anodizados, aún protegidos, pueden ir corrigiendo su color original con el paso del tiempo y la exposición a la luz solar. Las maderas, por su origen natural, presentan mallas y tonos no homogéneos de un tablero a otro y a una pieza maciza. En PUNT seleccionamos para ti cada pieza para que esas diferencias, dentro de un mismo mueble, sean agradables.

Colores: Puede que nuestros bonitos colores una vez los aprecies en la realidad, no sean exactamente iguales a los que puedas haber visto en una pantalla o en un catálogo.

FURNITURE CLEANING AND MAINTENANCE

For a proper preservation, the piece of furniture must be kept in a dry space. You must remove any spillage or stain immediately so it doesn’t penetrate or damage the protective varnish layer. Every furniture material must be wiped with slightly damp non-abrasive cloths or cleaned with non-acid cleaning agents except paint thinners such as acetone. You mustn’t use cleaning agents containing alcohol on wood with a water-based coating. After cleaning, dry the surface with a dry cloth.

MANTENIMIENTO Y LIMPIEZA DE LOS MUEBLES

Para una correcta conservación del mueble debes mantenerlo en un espacio no húmedo. Debes retirar cualquier vertido o mancha de forma inmediata para que no atravesase o dañe la capa de barniz protectora. Para cualquiera de los materiales del mueble debes utilizar paños no abrasivos ligeramente humedecidos o con productos de limpieza que no sean ácidos ni disolventes de pinturas como la acetona. En las maderas acabadas al agua nunca utilices productos de limpieza con contenido en alcohol. Tras limpiar la superficie sécala con un paño seco.

NATURAL TEAK

PUNT uses teak wood of Asian origin, sourced from sustainably managed forests. We do not apply any artificial protective products to the teak to maintain its natural finish. Also, because it is a naturally oily wood, it is not suitable for painting or varnishing as any product will not adhere properly and after a period of time will start to flake off. Due to environmental conditions or the action of the sun and rain, teak can expand and contract generating fine cracks or it can also take on a greyish colour due to a natural oxidation process, in neither case will it affect its structural integrity.

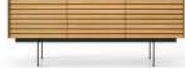

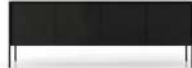

TECA NATURAL

PUNT utiliza madera de teca de origen asiático, procedente de bosques sostenibles de talas controladas. No aplicamos ningún producto protector artificial a la teca para mantener su acabado natural. Además, debido a que se trata de una madera naturalmente aceitosa, no es adecuado pintar ni barnizar ya que cualquier producto no se adherirá correctamente y después de un tiempo comenzará a desprenderse. Debido a las condiciones ambientales o la acción del sol y la lluvia, la teca puede dilatar y contraer generando grietas finas o también puede tomar un color grisáceo debido a un proceso de oxidación natural, en ninguno de los casos afectará a su integridad estructural.

The frequency of maintenance of our furniture will depend on the climate and location.

La periodicidad del mantenimiento de nuestros muebles dependerá del clima y la localización en la que se encuentren.

DOOR OPENING
 APERTURA DE PUERTAS

The Atrio sideboard is composed of different sliding doors depending on the reference and its opening will be sliding and not coplanar.

 El aparador Atrio está compuesto por diferentes puertas correderas en función de la referencia y su apertura será deslizante y no coplanar.

CERAMIC FINISH
 ACABADO DE LA CERÁMICA

Each of the ceramic slabs, due to their handcrafted manufacturing process, are unique in size and color, which may result in slight imperfections and differences in their shades. This uniqueness makes each Atrio an exclusive piece.

 Cada una de las placas cerámicas, debido a su proceso de fabricación artesanal, son únicas en tamaño y color, lo que puede resultar en ligeras imperfecciones y diferencia en sus tonalidades. Esta singularidad convierte cada Atrio en una pieza exclusiva.

TEAK FINISH
 ACABADO DE LA TECA

The teak in the Ombra collection is not treated or finished, maintaining its natural appearance. Environmental factors such as sun and rain can cause grayish tones due to a natural oxidation process. This change is aesthetic and does not compromise its quality. Also, due to temperature changes, cracks may appear that will not affect the furniture at a structural level.

 La teca de la colección Ombra no recibe tratamientos o acabados, manteniendo su apariencia natural. Los factores ambientales como el sol y la lluvia pueden provocar tonalidad grisáceas debido a un proceso natural de oxidación. Este cambio es estético y no compromete su calidad. Asimismo, debido a los cambios de temperatura pueden aparecer grietas que no afectarán al mueble a nivel estructural.

SOLID WOOD MADERA MACIZA

The Beam sideboard is composed of a top and base in solid oak wood. The nobility of the material makes each piece unique, with subtle variations in tone, grain, and texture that enrich its natural expression. These differences, inherent to wood, bring character and authenticity and are a reflection of its quality and origin.

El aparador Beam está compuesto por tapa y base de madera de roble macizo. La nobleza del material hace que cada pieza sea única, con sutiles variaciones en tono, veta y textura que enriquecen su expresión natural. Estas diferencias, inherentes a la madera, aportan carácter y autenticidad, y son reflejo de su calidad y origen.

STABILITY ESTABILIDAD

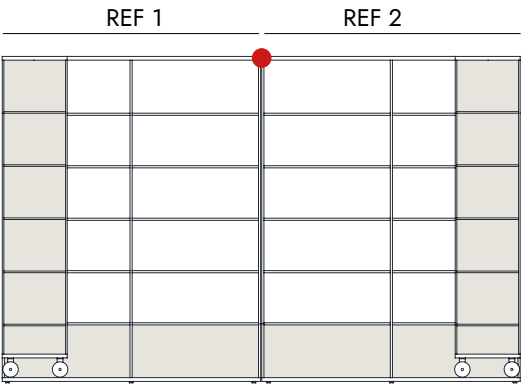

The bookcase set must be fixed to the wall to ensure optimal stability. If you wish to use it as a partition, it is mandatory to use a container module for each shelf column and place the heaviest objects on the lower shelves.

Las composiciones de estantería deben fijarse a pared para lograr una estabilidad óptima. Si se desea utilizar como divisoria es imprescindible utilizar un módulo contenedor por columna de estantes y depositar los objetos más pesados en las partes bajas.

MODULARITY MODULARIDAD

The Literatura Open collection allows the connection of different shelving units. Each connection requires the use of the corresponding accessories: LOP008 (with movable part) or LOS009 (without movable part).

La colección Literatura Open permite la conexión de distintas referencias de estanterías. Cada unión requiere el uso de los accesorios correspondientes: LOP008 (con carro) o LOS009 (sin carro).

● Detail of the union of the structures.
Detalle unión de las estructuras.

WOOD JOINING UNIÓN DE MADERAS

When joining multiple references, differences in wood tone may be noticeable. These variations are natural and inherent to each piece, reflecting the unique characteristics of the material.

Al unir varias referencias, es posible que se aprecien diferencias de tono entre las maderas. Estas variaciones son naturales y propias de cada pieza, reflejando las características únicas del material.

MATERIALS

MATERIALES

Top made of E1 MDF board (low formaldehyde content), veneered in oak wood with natural or ebony-stained finish, and unveneered for textured or high-gloss lacquer finishes. Beveled edge of the top left unveneered. Top also available in Dekton in different colors. Base manufactured through a combination of solid oak at the edges of the Column shape and curved, oak-veneered plywood that joins the overall structure. This table can be equipped with electrification.

Sobre de tablero MDF E1 (bajo contenido en formaldehído) chapado en madera de roble acabado natural o teñido ébano y sin chapar para lacados texturizado o alto brillo. Canto del sobre biselado sin chapar. Sobre de Dekton en diferentes colores. Base fabricada mediante una combinación de roble macizo en las aristas de la forma Column y contrachapado curvado y chapado de roble que une el conjunto de piezas. Esta mesa tiene opción de ser electrificada.

VACÍA **NEW**

BY VÍCTOR CARRASCO, 2026

punt

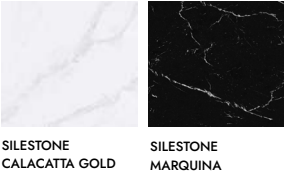

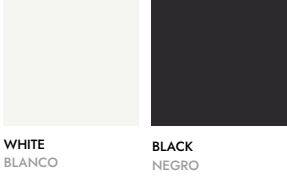

FINISHES
ACABADOS

Tops Sobres

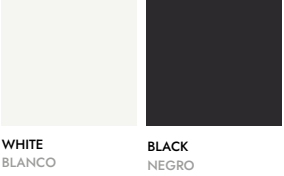

Silestone

Textured lacquer

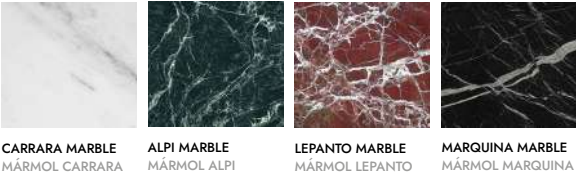

Fenix

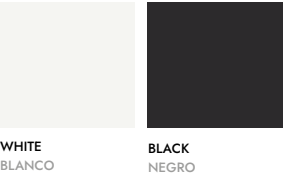

Wood

Solid foot Pie macizo

Metal base Base metálica

Due to its natural origin, each marble piece is unique and may present variations in veining and tone.
Debido a su origen natural, cada pieza de mármol es única y puede presentar variaciones de malla y tono.

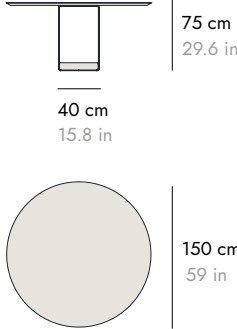

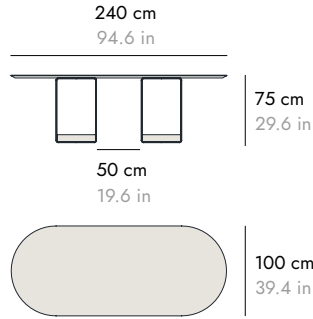

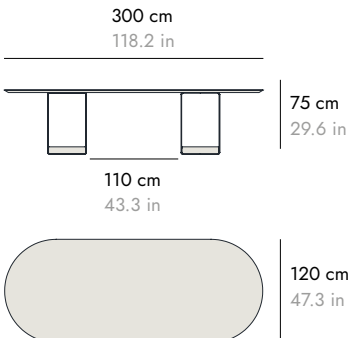

MATERIALS
MATERIALES

Marquina, Carrara, Alpi, or Lepanto marble tabletop with a polished finish; polished Silestone tabletop; Fenix-clad tabletop in white or black finish; E1 MDF tabletop (low formaldehyde content) with textured lacquer in white or black finish; E1 MDF tabletop (low formaldehyde content) veneered in natural oak or walnut wood. Base with folded steel structure finished in textured white or black lacquer and a solid Marquina, Carrara, Alpi, or Lepanto marble foot with polished finish. This table can be supplied with an electrification option. Table base weight 84 kg.

Tablero de mármol Marquina o Carrara acabado pulido; Tablero de Dekton, Silestone o XTone acabado pulido; Tablero aplacado en Fenix acabado blanco o negro; Tablero MDF E1 (bajo contenido en formaldehído) lacado texturado en acabado blanco o negro; Tablero MDF E1 (bajo contenido en formaldehído) aplacado en madera natural de roble o nogal. Base con estructura de acero plegada acabada en lacado texturado blanco o negro y pie macizo de mármol Maquina o Carrara. Esta mesa tiene opción de ser electrificada. Peso de la base de la mesa 84 kg.

MATERIALS
MATERIALES

Table composed of MDF E1 top veneered in natural oak wood. Bases made of curved MDF E1 board (low formaldehyde content) and MDF E1 board veneered with flexible MDF textured lacquered panel in copper, forest green, black or warm stone. Option to upholster the base in leather or faux leather.

The totem of the Dune table has counterweights inside. Total weight 140 kg.

Mesa compuesta por tablero de MDF E1 chapado en madera de roble natural. Bases fabricadas en tablero curvado MDF E1 (bajo contenido en formaldehído) y tablero de MDF E1 chapado con panel flexible de MDF lacado texturizado en cobrizo, verde bosque, negro o piedra. Posibilidad de tapizar la base en piel o polipiel.

El tótem de la mesa Dune cuenta con contrapesos en su interior. Peso total de 140 kg.

Consult with Punt about the possibility of choosing between other XTONE and Dekton options.

Consultar con Punt la posibilidad de elegir entre otras opciones de XTONE y Dekton.

MATERIALS

MATERIALES

E1 (low formaldehyde content) MDF board top veneered in natural walnut wood with solid wood beveled edge. Dekton, XTONE or tempered glass top. Upper union plate between legs and glass top in stainless steel. The legs are fixed to the glass top rotating an anchoring system. The table legs are made of natural walnut veneered plywood board with rounded edges. This table can be electrified.

Sobre de tablero MDF E1 (bajo contenido en formaldehído) aplacado en madera de nogal natural con canto biselado de madera maciza. Sobre de Dekton, XTONE o vidrio templado. Placa superior de unión entre patas y el sobre de vidrio en acero inoxidable. Las patas se fijan al sobre de vidrio mediante un sistema de anclaje giratorio. Las patas de las mesas están fabricadas en tablero de contrachapado chapado en madera de nogal natural con canto redondeados. Esta mesa puede ser electrificada.

MATERIALS
MATERIALES

E1 MDF board and E1 particle board (low formaldehyde content) with oak or walnut natural veneer. Drawers with continuous wood grain. Solid wood slatted doors without handles and 105° opening. Invisible hinge hardware. Each module includes an interior wooden shelf adjustable in height. Anodised aluminium top and profile. Black textured thermo-lacquered steel plinths with adjustable feet. Drawers with full-extension runners. Sideboard supplied assembled for lengths up to 180 cm. E1 MDF tops veneered in wood, Dekton or Xtone. This table may have power supply options installed

Tablero de MDF E1 y tablero de partículas E1 (bajo contenido en formaldehído) aplacado en madera natural de roble o nogal. Cajones chapados con malla continua. Puertas alistonadas en madera maciza sin tiradores y con apertura a 105°. Herraje de bisagra invisible. Cada módulo incluye un estante interior de madera regulable en altura. Sobre y perfil de aluminio anodizado. Zócalos de acero termo-lacado texturizado negro con pies regulables. Cajones con guías de extracción total. Este aparador se sirve montado para largo hasta 180 cm. Sobres de tablero de MDF E1 chapado en madera, Dekton o Xtone. Esta mesa tiene opción de ser electrificada.

MATERIALS
MATERIALES

Top made of E1 MDF board (low formaldehyde content), veneered in oak wood with natural or ebony-stained finish, and unveneered for textured or high-gloss lacquer finishes. Beveled edge of the top left unveneered. Top also available in Dekton in different colors. Base manufactured through a combination of solid oak at the edges of the Column shape and curved, oak-veneered plywood that joins the overall structure.

Sobre de tablero MDF E1 (bajo contenido en formaldehído) chapado en madera de roble acabado natural o teñido ébano y sin chapar para lacados texturizado o alto brillo. Canto del sobre biselado sin chapar. Sobre de Dekton en diferentes colores. Base fabricada mediante una combinación de roble macizo en las aristas de la forma Column y contrachapado curvado y chapado de roble que une el conjunto de piezas.

OPTIONAL CABLE CUT OUT SOLUTIONS SOLUCIONES OPCIONALES DE PASACABLES

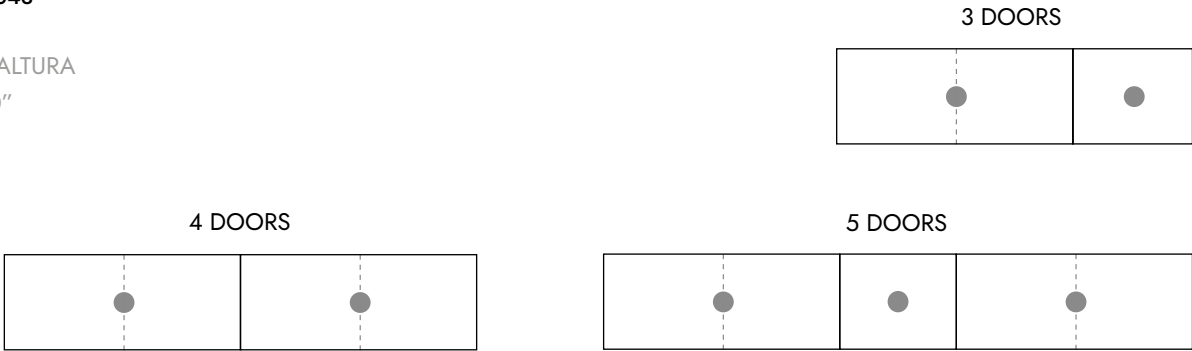

The diagrams below show the positioning and type of grommets according to the collection. In case you want cable grommets in the back, there should always be 1 hole per door.

Los esquemas que aparecen a continuación muestran el posicionamiento y el tipo de pasacables según la colección. En caso de querer pasacables en la trasera siempre deberá ir 1 agujero por puerta.
